

## **Catalogue of Bromeliad Literature**

march 2001

Contains titles of books, dissertations and a selection of recent articles from journals; also included are flora's in which the Bromeliaceae are described.

Additions and corrections are welcomed by   Leo Dijkgraaf  
E-mail [ldijkgraaf@yahoo.com](mailto:ldijkgraaf@yahoo.com)

## CATALOGUE - authors in alphabetical order

### **Acevedo-Rodriguez, P.**

- Bromeliaceae, In: Flora of St. John, U.S. Virgin Islands. Memoirs of the New York Botanical Garden Vol.78, USA 1996 ISBN 0-89327-402-X ( page 467-472; total 581 pages, 27 cm ).

**Adams, C. D.** : see Proctor, G. R.

### **Adams, W. W. & Martin, C. E.**

- Heterophylly and its relevance to evolution within the Tillandsioideae. Selbyana 9:121-125 1986.

**Anderson, W. R.** : see McVaugh, R.

### **André, E.**

- Bromeliaceae Andreanae. Description et Histoire des Broméliacées, récoltées dans la Colombie, l'Ecuador et la Venezuela. Librairie Agricole, Paris France 1889 ( 118 pages, 40 bw. plates).  
English translation with annotations by **M. Rothenberg** :  
Bromeliaceae Andreanae. Big Bridge / Twowindows Press, Berkeley USA 1983 ( 211 pages, 40 bw.plates, 24x31 cm ).  
More about André in Journal of the Bromeliad Society 33(2):56-65 1983 and in vol. 45(1):27-29 1995 for a list of species collected by André.

### **Antoine, F.**

- Phyto-Iconographie der Bromeliaceen des kaiserlichen königlichen Hofburg-Gartens in Wien. Gerold & Comp., Vienna Austria 1884 ( 35 illustrations, 54 pages ).

### **Arrais, M.**

- Aspectos anatômicos de espécies de Bromeliaceae da Serra do Cipó-MG, com especial referência à vascularização floral. Thesis, Sao Paulo Brazil 1989.

### **Baensch, U. & U.**

- Blühende Bromelien. Tropic Beauty Publishers (Nassau, Bahamas) & Tetra Verlag (Melle, Germany) 1994 ISBN 1-56465-148-7. Also in English ( "Blooming Bromeliads" ) and in Spanish ( "Bromeliaceas en Flor" ) ( 272 pages, 1000 col.photos + 5 maps, 22x28 cm ).

### **Baillon, H.**

- Bromeliaceae, In: Histoire des plantes Vol. XIII. Monographie des Amaryllidacées, Broméliacées, Iridacées etc. Librairie Hachette, Paris France 1895 (1867-1895) ( page 86-118, 21 bw.drawings; vol. total 523 pages, 327 bw.drawings; 13 volumes, 18x28 cm ).

### **Baker, J. G.**

- Handbook of the Bromeliaceae. George Bell & Sons, London GB 1889.  
Reprinted as Plant Monograph Reprint Vol.8 by J. Cramer Verlag, Lehre Germany, 1972 ISBN 3 7682 0752 8 ( 243 pages, not illustrated, 14x20 cm ).

**Barker, H. D. & Dardeau, W. S.**

- Bromeliaceae, In: La Flore d'Haiti. Dept. de l'Agriculture, Port-au-Prince Haiti 1930  
( page 47-49; total 456 pages, not illustrated, 15x24 cm ).

**Beadle, D.**

- A preliminary listing of all known cultivar and grex names for Bromeliaceae.  
Bromeliad Society Inc. USA 1991 ( 249 pages ); update by **E. Baskerville**, 1997 ( 14 pages ).
- Bromeliad Cultivar Registry. Bromeliad Society Int. 1998 .

**Beaman, R. S.**

- Systematics of *Tillandsia* subgenus *Pseudalcantarea* (Bromeliaceae) and cladistic relationships of the Bromelioideae, Pitcairnioideae and Tillandsioideae.  
Thesis, University of Florida, Gainesville USA 1989.
- Systematics of *Tillandsia* subgenus *Pseudalcantarea* (Bromeliaceae).  
Co-author **W. S. Judd**. *Brittonia* 48(1):1-19 1996.

**Beer, J. G.**

- Die Familie der Bromeliaceen. Nach Ihrem habituellen Charakter bearbeitet mit besonderer Berücksichtigung der Ananassa. Tendler & Comp., Wien Austria 1857  
( 272 pages, 6 bw.drawings, 14x22 cm; first book ever dedicated to bromeliads ).

**Bennett, B. C.**

- A comparison of life history traits in selected epiphytic and saxicolous species of *Tillandsia* (Bromeliaceae) from Florida and Peru.  
Thesis, University of North Carolina, Chapell Hill USA 1988.

**Bentham, G. & Hooker, J. D.**

- Bromeliaceae, In: Genera Plantarum vol.3, London 1883 (1862-1883 vol.1-3).  
Reprint (annotated by W. T. Stearn) J. Cramer Verlag, Weinheim Germany 1965  
( pages 657-670, vol.3 1258 pages, not illustrated, 16x23 cm ).

**Benzing, D. H.**

- The biology of the bromeliads. Mad River Press, Eureka California USA 1980  
ISBN 0-916422-21-6 ( 305 pages, 26 col.photos, 18x21 cm ).
- Bromeliaceae. Profile of an adaptive radiation. Cambridge University Press GB 2000  
ISBN 0 521 43031 3 ( 690 pages, bw.photos + bw.drawings + tabs, 18x24 cm; special topics by **I. Ramirez** (*Neoregelia* subgen *Hylaeicum*), **W. Till** ( Tillandsioideae, *Tillandsia* and *Racinaea*), **B. Bennett** (ethnobotany) and **M. Dimmitt** (endangered species) ).
- How much is known about Bromeliaceae in 1994 ? *Selbyana* 15:1-7 1994.
- Patterns of foliar pigmentation and their adaptive significance. Co-author **W. E. Friedman**.  
*Selbyana* 5(3-4):224-240 1981.
- Bromeliad trichomes: structure and function. *Selbyana* 1:330-348 1976. Reprinted in  
*Journal of the Bromeliad Society* 27(3):122-128 and 27(4):170-179 1977.
- The physical mosaic and plant variety in forest canopies. *Selbyana* 16(2):159-168 1995.

**Berry, P. E. & Steyermark, J. A. & Yatskievych, K. : see Holst, B.**

**Bessler, B.**

- Vegetative Vermehrung - Behandlung mit dem Cytokinin BAP. Die Bromelie 1993(3):71-77.

English translation in Journal of the Bromeliad Society 44(6):247-253 1994.

**Betancur, J.**

- Contribución al conocimiento de las bromeliáceas del departamento de Antioquia.

Thesis, Universidad de Antioquia, Medellín Colombia 1991.

- Distribucion de la familia Bromeliaceae en dos vertientes Andinas del sur de Colombia.

Co-author **M. A. Jaramillo**. Selbyana 19(1):52-65 1998.

**Boggan, J. et al.**

- Bromeliaceae, In: Checklist of the plants of the Guianas. Smithsonian biological diversity of the Guiana's program publication series 30. Smithsonian Institution, Washington & Univ. of Guyana, Georgetown 1992 (1st ed.) and 1997 (2nd edition)

( 2nd ed.: page 67-69; total 238 pages, 21x28 cm ).

**Böhme, S.**

- Vergleichende Untersuchungen zu Bau, Lage und systematischer Verwertbarkeit der Septalnektarien von Bromeliaceen. Bromelienstudien III, Tropische und Subtropische Pflanzenwelt 62, Akademie der Wiss. und Lit. Mainz, Steiner Verlag Wiesbaden

Germany 1988 ( page 125-274, 10 bw.drawings ).

**Boldingh, I.**

- Bromeliaceae, In: The flora of the Dutch West Indian Islands Vol.1 (St. Eustatius, Saba, St. Maarten) and Vol.2 (Curacao, Aruba, Bonaire). Thesis Rijksuniversiteit Utrecht, The Netherlands. E. J. Brill, Leiden 1909 and 1914 ( Vol.1: page 31-34; total 321 pages.

Vol.2: page 15-16; total 197 pages, 9 bw.photos + 1 map. Not illustrated, 17x25 cm ).

- Bromeliaceae, In: Flora voor de Nederlands West-Indische Eilanden (Aruba, Bonaire, Curaçao, St. Eustatius, Saba, St. Maarten). J. H. de Bussy, Amsterdam

The Netherlands 1913 ( page 141-145; total 450 pages, not illustrated, 15x23 cm ).

**Bono, G.**

- Bromeliaceae, In: Flora y Vegetación del Estado Tachira, Venezuela.

Monografie 20, Museo Regionale di Scienze Naturali, Torino Italy 1996

ISBN 88-86041-15-2 ( page 433-446, 6 col.photos; total 951 pages, 208 col.photos, 17x24 cm ).

**Brako, L. & Zarucchi, J. L.**

- Bromeliaceae, In: Catalogue of the flowering plants and Gymnosperms of Peru.

Monograph in Systematic Botany Vol.45, Missouri Botanical Garden USA 1993

ISBN 0-915279-19-3 ( page 233-261; total 1286 pages, not illustrated, 21x28 cm ).

**Breedlove, D. E. :** see Utley, J. F.

**Britton, N. L. & Millspaugh, C. F.**

- Bromeliaceae, In: The Bahama Flora. Published by the authors, New York USA 1920

( page 63-66; total 695 pages, not illustrated, 15x23 cm ).

**Britton, N. L. & Wilson, P.**

- Bromeliaceae, In: A scientific survey of Porto Rico and the Virgin Islands. I. Spermatophyta, Vol.5 (Pandanales to Thymeleales). New York Academy of Sciences USA 1924 ( page 133-144; total 626 pages, not illustrated, 14x23 cm ).

**Brown, G. K. & Gilmartin, A. J.**

- Stigma structure and variation in Bromeliaceae. *Brittonia* 36(4):364-374 1984.
- Bromeliales, related monocots and resolution of relationships among Bromeliaceae subfamilies. *Syst. Botany* 12:493-500 1987.
- Stigma types in Bromeliaceae - a systematic survey. *Syst. Botany* 14(1):110-132 1989.
- Chromosomes of the Bromeliaceae. *Selbyana* 9:88-91 1986.

**Brown, G. K. & Terry, R. G.**

- Petal appendages in Bromeliaceae. *American Journal of Botany* 79(9):1051-1071 1992.
- A study of evolutionary relationships in Bromeliaceae based on comparison of DNA sequences from the chloroplast gene *ndhF*. *Journal of the Brom. Soc.* 46(3):107-112 1996.

**Butcher, D.**

- An amateurs guide to the greyish leaved Tillandsioideae. Bromeliad Society of Australia, 3d edition 1994 with update 1996, ISBN 0-646-19866-1 ( 70 pages, 12 drawings, 21x30 cm ).
- Hybridist's handbook and checklist of Australian bromeliad hybrids and cultivars. Bromeliad Society of Australia 1982, 1986 and 1991 ( 102 pages ).
- Key to the genera of Bromeliaceae. *Journal of the Bromeliad Society* 50:105-112 2000.

**Cabrera, A. L.**

- Bromeliaceae, In: Flora de la Provincia de Buenos Aires, Parte 1: Pteridófitas, Gimnospermas y Monocotiledóneas. Coleccion Cientifica del INTA Tomo IV, Buenos Aires Argentina 1968 ( page 448-459; total 623 pages, many bw.drawings, 16x24 cm ).

**Cândido, M.**

- Artificial key to the genus *Cryptanthus*. *Bromélia* vol. 2(4):15-21 1995.
- Growing *Cryptanthus*, *Bromélia* 3(1):33-37 1996, reprint in *Journal of the Bromeliad Society* 47(3):127-130 1997.

**Castellanos, A.**

- Bromeliaceae, In: Genera et Species Plantarum Argentinarum. Tomus Tertius: Farinosae, Centrolepidaceae, Mayacaceae, Xyridaceae, Eriocaulaceae, Bromeliaceae. Universitas Nationalis Tucumanensis. Editor **H. R. Descole**. Guillermo Kraft, Buenos Aires Argentina 1945 ( textpages 105-378, plates 22-133 of which 57 with col.drawings, 44 with bw.drawings, 8 with 54 habitat bw.photos and 3 with 7 maps; total volume 378 textpages + 133 platepages, 34x50 cm; total flora 5 volumes in 7 books ).  
Castellanos published about many species - all included later in *Genera et Sp. Plant. Arg.* - in *Annales Mus. Nac. Hist. Nat. Buenos Aires* vol.29-36 1917-1933.

**Cedervall, E. V.**

- Anatomisk-fysiologiska undersökningar öfver bladet hos Bromeliaceerna. Kongl. Svenska Vetenskaps-Akademiens Handlingar 19, Göteborg Sweden 1884 ( 56 pages, 5 bw.drawings).

**Chedier, L. M. & Kaplan, M. A. C.**

- Chemical ecology of three species of Bromeliaceae. Thesis, National Museum Univ. Rio de Janeiro Brazil 1996. Summary in *Bromélia* 3(4):25-37 1996.

**Chevalier, C. & C.**

- Catalogue des Broméliacées (exsiccata et plantes vivantes). Collections de botanique systématique de l'Université de Liège, Belgium 1942.

**Chvastek, J.**

- Atlas Tilandsií I. 1990 ( 4 textpages + 15 drawing-pages, 24 cm ),  
Atlas Tilandsií II. 1992 ( 22 textpages + 15 drawing-pages ).  
M. Magdonové, Czech Republic.

**Chodat, R. & Vischer, W.**

- Résultats scientifiques d' une mission botanique Suisse au Paraguay. IV Broméliacées. Bull. Soc. Bot. Genève ser.2(8):83-160 and 186-264, Genève Switzerland 1916.  
Reprint in : La végétation du Paraguay. *Historiae Naturalis Classica* 101. Ed. J. Cramer & H. K. Swann, Vaduz Liechtenstein 1977 ISBN 3-7682-1106-1 ( 294 pages ).  
Also on Paraguay:  
**E. Hassler**, Bromeliacearum paraguariensum conspectus.  
Ann. Cons. Jard. Bot. Genève 20:268-341 Switzerland 1919.

**Coffani-Nunes, J. V.**

- Estudos florísticos e fenomorfológicos de Tillandsioideae (Bromeliaceae) na Cerra do Cipó, Minas Gerais. Thesis, Univ. Sao Paulo Brazil 1997 ( 129 pages ).

**Collins, J. L.**

- The pineapple: botany, cultivation and utilization. Interscience, New York USA 1960;  
L. Hill, London GB 1968 ( 294 pages ).

**Conzatti, C.**

- Bromeliaceae, In: Flora taxonomica Mexicana Vol. I. Consejo Nacional de Ciencia y Tecnologia, Ciudad Universitaria Mexico 1988 ISBN 968-823-116-9. This is a reprint of the 1939 edition ( page 476-491; total 1064 pages, 21x28 cm ).

**Correll, D. S. & H. B.**

- Bromeliaceae, In: Flora of the Bahama Archipelago. J. Cramer Verlag - Gantner Verlag, Vaduz Liechtenstein 1982 ( page 268-285, 5 bw.drawings; total 1692 pages, 715 bw.draw., 17x24 cm ).

**Correa, J. E. & Bernal, H. Y.**

- Bromeliaceae, In: Especies vegetales promisorias de los paises del Convenio Andrés Bello, Tome 3. Editora Guadalupe Ltda. Bogota Colombia 1990 ISBN 958-9206-05-0 ( economic valuable species, bromeliads page 1-44; total 485 pages, 23 cm ).

**Correa, M. N.**

- Bromeliaceae, In: Flora Patagonica, Parte 2: Monocotyledoneae. Coleccion Cientifica del INTA Tomo VIII, Buenos Aires Argentina 1969 ( page 105-108; total 219 pages, 184 bw.drawings, 21x30 cm ).

**Creemers, G. & Hoff, M.** : see Gouda, E.

**Croat, T. B.**

- Bromeliaceae, In: Flora of Barro Colorado Island (Panama). Stanford University Press, Stanford California USA 1978 ISBN 0-8047-0950-5  
( page 227-228, 10 bw.photos; total 943 pages, 553 bw.photos, 19x28 cm ).

**Cutak, L.**

- Bromeliads. Missouri Botanical Garden USA 1942 ( 20 pages, 22 bw.photos, 18x23 cm ).

**Dahlgren, B. E.** : see Yuncker, T. G. and Smith, L. B.

**D'Arcy, W. G.**

- Bromeliaceae, In: Flora of Panama, Part 1: Introduction and checklist. Missouri Botanical Garden Monograph in Systematic Botany Vol.17, Saint Louis USA 1987  
ISBN 0-915279-08-8 ( page 41-45; total 345 pages, not illustrated, 19x24 cm ).

**Davidse, G. & M. Sousa, M. & Chater, A. O.** : see Utley, J. F.

**Descole, H. R.** : see Castellanos, A.

**Dimmitt, M.**

- Bromeliads - a cultural manual. Bromeliad Society Inc. USA 1994  
( 44 pages, 58 col.photos, 10x23 cm ).

**Dodson, C. H. & Gentry, A. H.**

- Bromeliaceae, In: Flora of Rio Palenque Science Centre (Ecuador). Selbyana 4:71-81 1978.

**Domokos, B.**

- Broméliák. Mezőgazdasági Kiadó, Budapest Hungary 1970.

**Dorr, K.**

- Bromeliads are my hobby. California USA 1974.  
- *Cryptanthus*, one of the bromeliad family. Marka Publ. Co, Bellflower California USA 1977  
( 30 pages, 98 col.photos, 14x21 cm ).

**Dubs, B.**

- Bromeliaceae, In: Prodomus Florae Matogrossensis. The Botany of Mato Grosso Series B No. 3, Pt.1 Checklist of Angiosperms, Pt.2 Types from Mato Grosso. Betrona Verlag, Küsnacht Switzerland ISBN 3-9520244-1-3 1998  
( page 42-44; total 444 pages, 21x30 cm ).

**Duss, A.**

- Bromeliaceae, In: Flore phanérogamique des Antilles Françaises (Guadeloupe & Martinique). Annales de l'Institut Colonial de Marseille. Protat Frères, Macon France 1897  
( page 569-577; total 656 pages, not illustrated, 15x23 cm ).

**Duval, L.**

- Les Broméliacées. Editeur: Octave Doin. Librairie agricole, Paris France 1896  
( 148 pages, 46 bw.drawings, 11x17 cm ).  
Translated/annotated in English by **M. Rothenberg** en **R.W. Read**:  
The Bromeliads. Big Bridge Press, California USA 1990 ( 154 pages, 46 drawings, 17x24 cm ).

**Ehler, N.**

- Neue Untersuchungen zur Entwicklung, Struktur und Funktion der Bromelien-Trichome.  
Bromelienstudien II, Tropische und Subtropische Pflanzenwelt , Akad. der Wiss. und Lit.  
Mainz. Steiner Verlag, Wiesbaden Germany 1977 ( 40 pages, 45 illustrations ).

**Ehlers, R.**

- Die rotblühenden Brasilianischen Tillandsien ( The red-flowered Tillandsias from Brazil ).  
Die Bromelie Sonderheft 3, 1996  
( German/English text, 66 pages, 29 col.photos + 21 bw.drawings, 16x23 cm ).

**Espejo-Serna, A. & López-Ferrari, A. R.**

- Bromeliaceae, In: Las monocotiledóneas Mexicanas, una sinopsis florística. I: Lista de Referencia: Parte III (Bromeliaceae, Burmanniaceae, Calochortaceae y Cannaceae).  
Cons. Nac. de la Flora de Mexico & Univ. Autónoma Metropolitana-Iztapalapa,  
Mexico 1994 ISBN 968-6144-10-2  
( page 3-50; referencelist with types and distribution, total 73 pages, 20x27 cm ).
- The type specimens of Bromeliaceae in the herbarium Eizi Matuda.  
Selbyana 19(1):66-82 1998.
- Mexican Bromeliaceae: diversity and notes on their conservation.  
Harvard Papers in Botany 4(1):119-128 ( checklists endemic species, distribution per state ).

**Evans, T. M. & Brown, G. K.**

- Plicate staminal filaments in *Tillandsia* subgenus *Anoplophytum* (Bromeliaceae).  
American Journal of Botany 76(10):1478-1485 1989.

**Ferreira C. P.**

- Fauna associada as bromélias *Canistrum giganteum* da restinga do litoral norte do estado de Sao Paulo. Thesis, Univ. Estadual de Campinas, Sao Paulo Brazil 1981.

**Ferreira da Costa, A.**

- *Vriesea* Lindley. Na reserva ecologica de Macae de Cima, Nova Friburgo.  
Thesis, Univ. Fed. de Rio de Janeiro, Brazil 1993.

**Fish, D.**

- Structure and composition of the aquatic invertebrate community inhabiting bromeliads in South Florida. Thesis, Univ. of Florida, Gainesville USA 1976.

**Fontoura, T. & Costa, A. & Wendt, T.**

- Preliminary checklist of the Bromeliaceae of Rio de Janeiro State. Selbyana 12:5-45 1991.

**Forzza, R. C. & Wanderley, M.**

- Bromeliaceae - Pitcairnioideae, In: Flora da Serra do Cipó, Minas Gerais. Boletim de Botânica de Universidade de Sao Paulo 17:255-270 1998.

**Foster, M. B.**

- Brazil, orchid of the tropics. Co-author **R. S. Foster**. Cattell Press, Lancaster Pennsylvania USA 1945 ( travelreport, 314 pages ). Excerpts in Journal of the Bromeliad Society 45(6) to 47(2) 1995-1997.
  - The bromeliads of Brazil. Smithsonian Inst., USA 1943 ( 14 pages + 20 bw.photos, 15x24 cm ).
  - Bromeliads - a cultural handbook. Bromeliad Society Inc. USA 1953 ( 54 pages ). Third revised edition in 1977 by Brom. Soc. Inc. (104 pages, 28 bw.photos + 5 drawings, 15x23 cm).
  - *Puya*, the pineapple's Andean ancestor. National Geographic Magazine 98(4):463-480 USA 1950 ( *Puya raimondii*, 13 col. + 5 bw.photos ). Reprint in Journal of the Bromeliad Society 34(4):147-157 and 34(5):205-211 1984.
- More on *Puya raimondii* in Journal of the Bromeliad Society:  
**B. Waite** 28(5):200-208 1978 and **R. Müsch** 47(4):178-179 and 47(5):227 1997.

**Fournet, J.**

- Bromeliaceae, In: Flore illustrée des phanérogames de Guadeloupe et de Martinique. Institut National de la Recherche Agronomique, Paris France 1978 ISBN 2-85340-081-6 ( page 61-77, 3 bw.drawings; total 1654 pages, 745 bw.drawings, 15x24 cm ).
